

The map displays the Japanese archipelago with various cities and prefectures labeled. In the top left corner of the map area, the **IoT LAB** logo is prominently displayed next to the **BellChild** logo. Two location markers are present: one in the Kansai region (near Osaka) and one in the Kanto region (near Tokyo). The marker in the Kansai region is circled in red and has a pop-up window showing a building with the **VANTEC** logo and the text "詳細" (Details) and "バンテック". The marker in the Kanto region has a pop-up window showing a building with the **IoT LAB** and **BellChild** logos, and the text "詳細" (Details) and "東京オフィス".
